Week- 5

Write C program that reads two integers x and n and calls a function to compute X^n

https://onlinegdb.com/IMXrDhsIP

5a) Write C program that reads two integers x and n and calls a recursive function to compute x^n
https://onlinegdb.com/lZqhdA_fy

5c) Write a C program that reads two integers and calls a recursive function to compute nC_r value.

https://onlinegdb.com/QzOx-KImcB

Write a c Program to compute Fibonacci numbers using recursion
https://onlinegdb.com/_sboU6dQx
